Community Educator

Description

The Community Engagement and Training (CET) team serves as messengers of TurnAround's mission by incorporating innovative best practices for prevention, intervention, and restoration. The CET team involves local communities in intentional conversations and advocacy efforts that strive to create awareness and solutions to end violence and abuse. The Community Educator works with youth and adults, conducting outreach, and providing trauma-informed support to survivors. Educators provide educational presentations to community partners as part of the outreach efforts and works within partnerships to ensure survivors are accessing the full suite of services available to them via preventive education presentations, groups, and trainings.
