Crisis Response Coordinator – Part Time

Description

The Crisis Response Coordinator is responsible for providing crisis intervention services, support, information, and referrals via TurnAround's 24/7 helpline to survivors of domestic violence, sexual assault, and human trafficking. The Crisis Response Coordinator will carry out the mission and goals of TurnAround in a trauma informed and responsive manner. This role coordinates crisis intervention by working closely with referrals for lethality and danger from service providers, medical personnel, law enforcement and other professionals.
