## Grants Accountant

### Description

The Grants Accountant is responsible for the financial management, compliance, reporting, and reconciliation of all federal, state, and foundation grants. This position ensures that grant-related financial activity is accurate, allowable, timely, and compliant with applicable regulations, organizational policies, and Generally Accepted Accounting Principles (GAAP). Working closely with the Controller, program leadership, and development staff, the Grants Accountant supports the organization's mission by ensuring strong fiscal stewardship of restricted funding.
