Senior Trauma Therapist – Spanish Speaking

Description

The Trauma Therapist is responsible for providing trauma-informed individual and group therapeutic services to support survivors who have experienced sexual violence; adults and adolescents who have experienced intimate partner violence and children who have witnessed IPV as well as supporters. The Trauma Therapist is expected to independently manage a case load (up to 24 individual clients) to ensure that all clients receive timely services. Therapy will be provided for a period of six months to a year after intake at TurnAround. TurnAround covers CEUs and licensing fees for our clinicians, and offers a flexible schedule. We also have a professional development program that allows our team to gain additional education with a stipend from TurnAround, and a 401K match.
