Trauma Therapist (LMSW, LGPC)

Description

The Trauma Therapist is responsible for providing trauma-informed individual and group therapeutic services to support adult and adolescent survivors who have experienced sexual violence, intimate partner violence (IPV), human trafficking, as well as children who have witnessed IPV and supporters of survivors of one of the previously mentioned victimizations. The Trauma Therapist is expected to independently manage a caseload (up to 24 individual clients) to ensure that all clients receive timely services. Therapy will be provided for a period of six months to a year after intake at TurnAround.
