- Knowledgeable about best case practices in human trafficking, and sexual violence.
- Proven experience with trauma informed counseling.
- Knowledge of issues of sexual trauma and gender-based violence.
- Demonstrates cultural competency in working with a diverse population.
- Under the direction of the Clinical Director, develop appropriate treatment plans for all clients in a timely and culturally competent manner.
- Provide direct client services through individual and/or group treatment services.
- Refer clients to appropriate therapeutic or case management services, in support of client's optimal functioning.
- Document therapeutic services and service delivery via proper client paperwork, initial assessment forms and progress notes, according to agency standards.
- Follow agency protocols around typical clinical risk management issues, to minimize risk to the client and to the agency.
- Communicate with referral source or outside service provider to coordinate care in support of client's optimal functioning.
- The ability to work independently as well as collaboratively in a team environment.
- Thrives in a dynamic environment.
- Obtain necessary Continuing Educations Units (CEUs) in accordance with license/certification.

- Other duties as assigned.

Clinical Duties:

- Incorporate trauma-informed care philosophy, practices, and strategies in all activities.
- Provide trauma-informed and culturally competent individual, group, and crisis counseling for sexual violence and human trafficking survivors.
- Develop and/or facilitate survivor support groups.
- Maintain caseload of up to 8 individual clients.
- Facilitate Family Therapy Sessions.
- Complete data collection, data entry, and required reports and other related administrative paperwork in accordance with the program timelines and standards.
- Attend internal and external meetings with staff.
- Promote, support, and demonstrate TurnAround's mission, vision, and values through both behavior and job performance, and adhere to policies, procedures, and standards on a day-to-day basis.
- Effectively coordinate client care with other internal and external service providers and community resources to ensure continuity of care as needed.
- Work in collaboration with caregivers of children to problem solve; assist caregivers with behavioral management techniques.
- Other duties as assigned (specific to clinical department).
